Allocation of Inspection by DO

Step 1: - Click on the left menu and click on “Allocate Inspection” as shown below:

Step 2: Enter the license no or application reference no and click on next button.

Step 3: Select the name FSO to whom the inspection should be assigned, fill remarks and click on create inspection.

The screenshot shows the 'FoSCoRIS' mobile application interface. At the top, there is a blue header bar with a back arrow, the text 'FoSCoRIS', and a status bar showing the time 5:46 and various icons. Below the header is a light blue bar with the text 'Allocate Inspections', a yellow bell icon, and a house icon. The main form area is white and contains three input fields: 'Reference No./Licence No.' with the value '12420003000001', 'FSO Name' with a dropdown menu showing 'Aruchamy.K', and 'Remarks' with the placeholder text 'Remarks'. At the bottom of the form is a red button with the text 'CREATE INSPECTION'.

Step 2: Once inspection accepted/rejected by the concerned FSO, the applications can be seen under the respective menu panel. **DO can reassign inspection** which has been rejected by the FSO for conducting the inspection due to any particular reason.

Conducting the Inspection

Step 1: For moving forward with any accepted inspection, click on “Accepted Inspections” bin under the left menu and then click on proceed against which inspection is to be done. Once proceeded a popup will appear mentioning that the application is forwarded to “Ongoing Inspections” bin.

*DOs/FSOs can also start Random Inspection (without allocation) by visiting ‘Start Random Inspection’ tab and by entering License or Registration number.

Searching of Inspection Report

Step: For searching any inspection report, on the left menu click on “Search reports” and then searching can be done on the basis of either FBO license number or Kind of business wise.

The inspection reports can also be searched on FoSCoS after completion. The inspection report is also available to concerned DO and Concerned FBO on the FoSCoS.
